FOURTH QUARTER 2025

APPENDIX B

illustrative disclosures for recently issued accounting pronouncements for the quarter ended december 31, 2025

The illustrative disclosures below are presented in plain English. Please review each disclosure for its applicability to your organization and the need for disclosure in your organization's financial statements.

(Please give careful consideration to appropriateness of highlighted text.)

ASU 2018-12 – Applicable to insurance entities that issue long-duration contracts:

In August 2018, the FASB amended the Financial Services—Insurance Topic of the Accounting Standards Codification to make targeted improvements to the existing recognition, measurement, presentation, and disclosure requirements for long-duration contracts issued by an insurance entity. The amendments will be effective for the Company for ~~[fiscal years beginning after December 15, 2021, and interim periods within those fiscal years. public business entities that meet the definition of an SEC filer, excluding entities eligible to be SRCs as defined by the SEC]~~ [fiscal years beginning after December 15, 2023, and interim periods within fiscal year beginning after December 15, 2024. all other entities] The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2020-11 – Applicable to insurance entities that issue long-duration contracts:

In November 2020, the FASB issued guidance to defer the effective dates for insurance entities which have not yet applied the long duration contracts guidance by one year. The new effective dates will be ~~[fiscal years beginning after December 15, 2022, and interim periods within those fiscal years. public business entities that meet the definition of an SEC filer, excluding entities eligible to be SRCs as defined by the SEC]~~ [fiscal years beginning after December 15, 2024, and interim periods within fiscal year beginning after December 15, 2025. all other entities] The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2022-03 – Applicable to all entities:

In June 2022, the FASB issued amendments to clarify the guidance on the fair value measurement of an equity security that is subject to a contractual sale restriction and require specific disclosures related to such an equity security. The amendments are effective for ~~[fiscal years beginning after December 15, 2023, including interim periods within those fiscal years. public business entities]~~ [fiscal years beginning after December 15, 2024 including interim periods within those fiscal years. all other entities]. Early adoption is permitted. The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2022-05 – Applicable to insurance entities that have derecognized contracts before the effective date of ASU 2018-12:

In December 2022, the FASB issued amendments to reduce implementation costs and complexity associated with the adoption of ASU 2018-12 for contracts that have been derecognized in accordance with the amendments in this ASU before the effective date of ASU 2018-12. The amendments are effective for ~~[fiscal years beginning after December 15, 2022, and interim periods within those fiscal years. public business entities that meet the definition of an SEC filer, excluding entities eligible to be SRCs as defined by the SEC]~~ [fiscal years beginning after December 15, 2024, and interim periods within fiscal year beginning after December 15, 2025. all other entities] The Company does not expect these amendments to have a material effect on its financial statements.

quarterly financial services update

FOURTH QUARTER 2025

APPENDIX B

illustrative disclosures for recently issued accounting pronouncements
for the quarter ended December 31, 2025

ASU 2023-02 – Applicable to all entities that hold (1) tax equity investments that meet the conditions for and elect to account for them using the proportional amortization method or (2) an investment in a LIHTC structure through a limited liability entity that is not accounted for using the proportional amortization method and to which certain LIHTC-specific guidance removed from Subtopic 323-740 has been applied:

In March 2023, the FASB issued amendments to allow reporting entities to consistently account for equity investments made primarily for the purpose of receiving income tax credits and other income tax benefits. The amendments are effective for ~~[fiscal years beginning after December 15, 2023, including interim periods within those fiscal years. -public business entities]~~ ~~[fiscal years beginning after December 15, 2024, including interim periods within those fiscal years. -all other entities]~~ Early adoption is permitted for all entities in any interim period. The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2023-05 – Applicable to Entities that meet the definition of a joint venture or a corporate joint venture, as defined in the ASC Master Glossary:

In August 2023, the FASB issued amendments to address the accounting for contributions made to a joint venture, upon formation, in a joint venture's separate financial statements. The amendments are effective prospectively for all joint venture formations with a formation date on or after January 1, 2025. Additionally, a joint venture that was formed before January 1, 2025 may elect to apply the amendments retrospectively if it has sufficient information. Early adoption is permitted in any interim or annual period in which financial statements have not yet been issued (or made available for issuance), either prospectively or retrospectively. The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2023-06 – Applicable to all reporting entities within the scope of the affected ASC topics unless otherwise indicated:

In October 2023, the FASB issued amendments to incorporate certain U.S. Securities and Exchange Commission (SEC) disclosure requirements into the U.S. GAAP and align the requirements with the SEC's regulations. The amendments are effective prospectively ~~[on the date on which the SEC's removal of that related disclosure from Regulation S-X or Regulation S-K becomes effective. -entities subject to the SEC's existing disclosure requirements and for entities required to file or furnish financial statements with or to the SEC in preparation for the sale of or for purposes of issuing securities that are not subject to contractual restrictions on transfer]~~ ~~[two years after the date on which the SEC's removal of that related disclosure from Regulation S-X or Regulation S-K becomes effective. -all other entities]~~ Early adoption is prohibited. The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2023-07 – Applicable to all public entities that are required to report segment information in accordance with ASC 280, Segment Reporting:

In November 2023, the FASB amended the Segment Reporting topic in the Accounting Standards Codification to improve disclosures about a public entity's reportable segments and provide more detailed information about a reportable segment's expenses. The amendments are effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. Upon adoption, the Company will apply the amendments retrospectively to all prior periods presented in the financial statements. The Company does not expect these amendments to have a material effect on its financial statements.

quarterly financial services update

FOURTH QUARTER 2025

APPENDIX B

illustrative disclosures for recently issued accounting pronouncements
for the quarter ended December 31, 2025**ASU 2023-08 – Applicable to all entities that hold crypto assets:**

In December 2023, the FASB amended the Intangibles topic in the Accounting Standards Codification to improve the accounting for and disclosure of certain crypto assets. The amendments are effective for fiscal years beginning after December 15, 2024, including interim periods within those fiscal years. Early adoption is permitted. Upon adoption, the Company will apply a cumulative-effect adjustment to the opening balance of retained earnings (or other appropriate components of equity or net assets) as of the beginning of the annual reporting period in which the Company adopts the amendments. The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2023-09 – Applicable to all entities subject to ASC 740, Income Taxes:

In December 2023, the FASB amended the Income Taxes topic in the Accounting Standards Codification to improve the transparency of income tax disclosures. The amendments are effective for [annual periods beginning after December 15, 2024.-public business entities] [annual periods beginning after December 15, 2025.-all other entities] Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2024-01 – Applicable to all entities that account for profits interest awards as compensation to employees or nonemployees in return for goods or services:

In March 2024, the FASB amended the Compensation—Stock Compensation topic in the Accounting Standards Codification to demonstrate how an entity should apply the guidance to determine whether profits interest and similar awards should be accounted for in accordance with that topic. The amendments are effective for [annual periods beginning after December 15, 2024, and interim periods within those annual periods.-public business entities] [annual periods beginning after December 15, 2025 and interim periods within those annual periods.-all other entities] Early adoption is permitted for both interim and annual financial statements that have not yet been issued or made available for issuance. The Company will apply the amendments [retrospectively to all prior periods presented in the financial statements] [prospectively to profits interest and similar awards granted or modified on or after the date at which the Company first applies the amendments]. The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2024-02 – Applicable to all entities within the scope of the affected accounting guidance:

In March 2024, the FASB issued amendments to the Codification that remove references to various FASB Concepts Statements. The amendments are effective for [fiscal years beginning after December 15, 2024. -public business entities] [fiscal years beginning after December 15, 2025.-all other entities] Early adoption is permitted for both interim and annual financial statements that have not yet been issued or made available for issuance. The Company will apply the amendments [retrospectively to the beginning of the earliest comparative period presented in which the amendments were first applied] [prospectively to all new transactions recognized on or after the date that the Company first applies the amendments]. The Company does not expect these amendments to have a material effect on its financial statements.

quarterly financial services update

FOURTH QUARTER 2025

APPENDIX B

illustrative disclosures for recently issued accounting pronouncements
for the quarter ended December 31, 2025**ASU 2024-03 – Applicable to all public business entities:**

In November 2024, the FASB amended the Income Statement—Reporting Comprehensive Income topic in the Accounting Standards Codification to require public companies to disclose, in interim and annual reporting periods, additional information about certain expenses in the notes to financial statements. The amendments are effective for annual periods beginning after December 15, 2026, and interim reporting periods beginning after December 15, 2027. Early adoption is permitted. The Company will apply the amendments *[prospectively to financial statements issued for reporting periods after the effective date.] [retrospectively to all prior periods presented in the financial statements].* The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2024-04 – Applicable to all entities that settle convertible debt instruments for which the conversion privileges were changed to induce conversion:

In November 2024, the FASB amended the Debt topic in the Accounting Standards Codification to clarify requirements for determining whether certain settlements of convertible debt instruments should be accounted for as an induced conversion. The amendments are effective for annual reporting periods beginning after December 15, 2025, and interim reporting periods within those annual reporting periods. Early adoption is permitted for all entities that have adopted the amendments in ASU 2020-06. The Company will apply the amendments *[prospectively to any settlements of convertible debt instruments that occur after the effective date of the guidance.] [retrospectively by recasting prior periods and recognizing a cumulative-effect adjustment to equity as of the later of the following dates: (1) the beginning of the earliest period presented and (2) the date the Company adopted the amendments in ASU 2020-06.]* The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2025-01 – Applicable to all public business entities:

In January 2025, the FASB amended the effective date of ASU 2024-03 to clarify that all public business entities are required to adopt the guidance in annual reporting periods beginning after December 15, 2026, and interim periods within annual reporting periods beginning after December 15, 2027. *The Company does not expect these amendments to have a material effect on its financial statements.*

ASU 2025-02 – Applicable to all public business entities:

In March 2025, the FASB amended an SEC paragraph in the Accounting Standards Codification pursuant to the issuance of SEC Staff Accounting Bulletin No. 122. The amendment was effective upon issuance. *The Company does not expect this amendment to have a material effect on its financial statements.*

ASU 2025-03 – Applicable to all entities that issue share-based consideration to a customer:

In May 2025, the FASB amended the Business Combinations and Consolidation topics in the Accounting Standards Codification to revise current guidance for determining the accounting acquirer for a transaction effected primarily by exchanging equity interests in which the legal acquiree is a VIE that meets the definition of a business. The amendments are effective for annual reporting periods beginning after December 15, 2026, and interim reporting periods within those annual reporting periods. The amendments require that an entity apply the new guidance prospectively to any acquisition transaction that occurs after the initial application date. Early adoption is permitted as of the beginning of an interim or annual reporting period. *The Company does not expect these amendments to have a material effect on its financial statements.*

quarterly financial services update

FOURTH QUARTER 2025

APPENDIX B

illustrative disclosures for recently issued accounting pronouncements
for the quarter ended December 31, 2025**ASU 2025-04 – Applicable to all entities engaging in acquisition transactions involving a VIE:**

In May 2025, the FASB amended the Stock Compensation and Revenue from Contracts with Customers topics in the Accounting Standards Codification to clarify the requirements for share-based consideration payable to a customer that vests upon the customer purchasing a specified volume or monetary amount of goods and services from the entity. The amendments are effective for annual reporting periods (including interim reporting periods within annual reporting periods) beginning after December 15, 2026. Early adoption is permitted. The Company will apply the amendments *[on a modified retrospective basis, by recognizing a cumulative-effect adjustment to the opening balance of retained earnings as of the beginning of the period of adoption.] [on a retrospective basis, by recasting comparative periods and recognizing a cumulative-effect adjustment to the opening balance of retained earnings as of the beginning of the earliest period presented.]* The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2025-05 – Applicable to all entities engaging in acquisition transactions involving a VIE:

In July 2025, the FASB amended the Financial Instruments—Credit Losses topic in the Accounting Standards Codification to introduce a practical expedient for all entities and an accounting policy election for entities other than public business entities related to applying the current expected credit loss model to current accounts receivable and current contract assets. The amendments are effective for annual reporting periods beginning after December 15, 2025, and interim reporting periods within those annual reporting periods. Early adoption is permitted in both interim and annual reporting periods in which financial statements have not yet been issued or made available for issuance. The amendments require that an entity that elects the practical expedient and the accounting policy election, if applicable, apply the new guidance prospectively. *The Company does not expect these amendments to have a material effect on its financial statements.*

ASU 2025-06 – Applicable to all entities subject to the internal-use software guidance:

In September 2025, the FASB amended the Internal-Use Software subtopic in the Accounting Standards Codification to update the guidance on accounting for internal-use software costs. The amendments are effective for annual reporting periods beginning after December 15, 2027, and interim reporting periods within those annual reporting periods. Early adoption is permitted as of the beginning of an annual reporting period. The Company will apply the amendments *[using a prospective transition approach, by applying the amendments to new software costs incurred as of the beginning of the period of adoption for all projects, including in-process projects.] [using a modified transition approach, by applying the amendments on a prospective basis to new software costs incurred, except for in-process projects that, as of the date of adoption, the Company determines do not meet the capitalization requirements under the amendments but meet the capitalization requirements under current guidance. For those in-process projects, the Company will derecognize any capitalized costs through a cumulative-effect adjustment to the opening balance of retained earnings as of the date of adoption.] [using a retrospective transition approach, by recasting comparative periods and recognizing a cumulative-effect adjustment to the opening balance of retained earnings as of the beginning of the first period presented.]* The Company does not expect these amendments to have a material effect on its financial statements.

quarterly financial services update

FOURTH QUARTER 2025

APPENDIX B

illustrative disclosures for recently issued accounting pronouncements
for the quarter ended December 31, 2025**ASU 2025-07 – Applicable to all entities that enter into nonexchange-traded contracts with underlyings based on operations or activities specific to one of the parties to the contract:**

In September 2025, the FASB amended Derivatives and Hedging topic and the Revenue from Contracts with Customers topic in the Accounting Standards Codification to exclude from derivative accounting nonexchange-traded contracts with underlyings that are based on operations or activities specific to one of the parties to the contract. The amendments are effective for annual reporting periods beginning after December 15, 2026, and interim reporting periods within those annual reporting periods. Early adoption is permitted. The Company will apply the amendments *[prospectively to new contracts entered into on or after the date of adoption] [on a modified retrospective basis through a cumulative-effect adjustment to the opening balance of retained earnings as of the beginning of the annual reporting period of adoption for contracts existing as of the beginning of the annual reporting period of adoption]*. The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2025-08 – Applicable to all entities subject to the guidance on credit losses:

In November 2025, the FASB amended the Financial Instruments—Credit Losses topic in the Accounting Standards Codification to expand the population of acquired financial assets subject to the gross-up approach. The amendments are effective for annual reporting periods beginning after December 15, 2026, and interim reporting periods within those annual reporting periods. Early adoption is permitted in both interim and annual reporting periods in which financial statements have not yet been issued or made available for issuance. The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2025-09 – Applicable to all entities that elect to apply hedge accounting in accordance with U.S. GAAP:

In November 2025, the FASB amended the Derivatives and Hedging topic in the Accounting Standards Codification to clarify certain aspects of the guidance on hedge accounting and to address several incremental hedge accounting issues arising from the global reference rate reform initiative. The amendments are effective for *[annual reporting periods beginning after December 15, 2026, and interim reporting periods within those annual reporting periods. -public business entities] [annual reporting periods beginning after December 15, 2027, and interim reporting periods within those annual reporting periods. -all other entities]*. Early adoption is permitted on any date on or after the issuance of this ASU. Upon adoption of the amendments, entities are permitted to modify certain critical terms of certain existing hedging relationships without redesignating the hedge. The Company does not expect these amendments to have a material effect on its financial statements.

FOURTH QUARTER 2025

APPENDIX B

illustrative disclosures for recently issued accounting pronouncements
for the quarter ended December 31, 2025**ASU 2025-10 – Applicable to all business entities that receive a government grant:**

In December 2025, the FASB created the Government Grants topic in the Accounting Standards Codification to establish the accounting for a government grant received by a business entity. The amendments are effective for *[annual reporting periods beginning after December 15, 2028, and interim reporting periods within those annual reporting periods. -public business entities] [annual reporting periods beginning after December 15, 2029, and interim reporting periods within those annual reporting periods. -all other entities]* Early adoption is permitted in both interim and annual reporting periods in which financial statements have not yet been issued or made available for issuance. The Company will apply the amendments using a *[modified prospective approach to both government grants that are entered into on or after the effective date and government grants that are not complete as of the effective date.] [modified retrospective approach to both government grants that are entered into on or after the beginning of the earliest period presented and government grants that are not complete as of the beginning of the earliest period presented.] [retrospective approach to all government grants through a cumulative effect adjustment to the opening balance of retained earnings as of the beginning of the earliest period presented.]* The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2025-11 – Applicable to all entities that provide interim financial statements and notes in accordance with U.S. GAAP:

In December 2025, the FASB amended the Interim Reporting topic in the Accounting Standards Codification to clarify current interim reporting requirements. The amendments are effective for *[interim reporting periods within annual reporting periods beginning after December 15, 2027. -public business entities] [interim reporting periods within annual reporting periods beginning after December 15, 2028.-all other entities]* Early adoption is permitted. The Company will apply the amendments *[prospectively] [retrospectively to any or all prior periods presented in the financial statements.]* The Company does not expect these amendments to have a material effect on its financial statements.

ASU 2025-12 – Applicable to all entities within the scope of the affected accounting guidance:

In December 2025, the FASB issued amendments to the Codification to make incremental improvements to generally accepted accounting principles. The amendments are effective for annual reporting periods beginning after December 15, 2026, and interim reporting periods within those annual reporting periods. Early adoption is permitted for both interim and annual financial statements that have not yet been issued or made available for issuance. The Company will apply the amendments *[retrospectively to the beginning of the earliest comparative period presented in which the amendments were first applied] [prospectively to all transactions recognized on or after the date that the Company first applies the amendments].* The Company does not expect these amendments to have a material effect on its financial statements.

Applicable to all:

Other accounting standards that have been issued or proposed by the FASB or other standards-setting bodies are not expected to have a material impact on the Company's financial position, results of operations or cash flows.
